Almost Cut My Hair Today
lyrics by David Crosby
Crosby, Stills, Nash, and Young (1970)

Almost cut my hair
Happened just the other day
It's gettin' kind of long
I could've said it was in my way

But I didn't and I wonder why
I feel like letting my freak flag fly
And I feel like I owe it, yeah ... to someone, yeah

Well, must be because I had the flu for Christmas
And I'm not feeling up to par
It increases my paranoia
Like looking in the mirror and seeing a police car

But I'm not giving in an inch to fear
'Cause I promised myself this year
I feel like I owe it to someone

When I finally get myself together
I'm gonna get down in that sunny southern weather
And I'll to find a space inside to laugh
Separate the wheat from the chaff
I feel like I owe it to someone, yeah
Are you a boy or are you a girl?
With your long blonde hair you look like a girl
Yeah you look like a girl.
You may be a boy but you look like a girl

You’re either a girl or you come from Liverpool
Yeah Liverpool
You can talk like a female monkey but you swim like a stone
Yeah a Rolling Stone
You may be a boy but you look like a girl

You’re always wearing skin-tight pants and boys wear pants
But in skin-tight pants you look like a girl
Yeah you look like a girl.
You may be a boy but you look like a girl

Are you a boy or are you a girl?
With your long blonde hair you look like a girl.
Yeah you look like a girl.
You may be a boy but you look like a girl.
Yeah you look like a girl.
My Generation
The Who

People try to put us d-down (Talkin' 'bout my generation)
Just because we get around (Talkin' 'bout my generation)
Things they do look awful c-c-cold (Talkin' 'bout my generation)
I hope I die before I get old (Talkin' 'bout my generation)

This is my generation

Why don't you all f-fade away (Talkin' 'bout my generation)
And don't try to dig what we all s-s-say (Talkin' 'bout my generation)
I'm not trying to cause a big s-s-sensation (Talkin' 'bout my generation)
I'm just talkin' 'bout my g-g-g-generation (Talkin' 'bout my generation)

This is my generation
